**STATEMENT ESTABLISHING PROPRIETARY INTEREST BY
PERSON SIGNING ON BEHALF OF A NONSIGNING INVENTOR**

Aspirante
I, Richard P. Randall, ~~Assistant~~ General Counsel and Assistant Secretary of the Avery
Dennison Corporation, am the person signing the declaration for the above-identified application
on behalf of the nonsigning inventor, W. Scott Thielman, and make this statement as to the facts
establishing a proprietary interest in a party other than the nonsigning inventor. As of the date I
signed the declaration for this application, the proprietary interest in this invention belonged to the
following juristic person:

Avery Dennison Corporation, a Delaware Corporation
150 North Orange Grove Blvd.
Pasadena, California 91103-3596

I am authorized to sign the statement on behalf of this juristic person, my title being
Aspirante
Assistant Secretary and ~~Assistant~~ General Counsel.

Although there is no assignment or written agreement to assign, a sufficient proprietary
interest is demonstrated by the attached legal memorandum establishing that a court of

competent jurisdiction would, by the weight of authority in that jurisdiction, award title in the invention to the legal entity on whose behalf I have authority to sign.

In accordance with 37 C.F.R. § 3.73, the assignee hereby states that the evidentiary documents with respect to its ownership have been reviewed and that, to the best of assignee's knowledge and belief, title is in the assignee seeking to take this action.
